Two (2) day course • Monday & Tuesday, August 10-11; 8:30 a.m. – 5 p.m.

### Emergency Medical First Responder (EMR)

13 week college course condensed to 6 days!

This is a pre-EMT course designed to provide the student with the knowledge and skill necessary to work as a First Responder. The course is designed for those interested in EMT prep, CERT, SAR, SWAT, Security, Church First Responders/Staff, Law Enforcement, etc. and is intended for students that seek a better understanding of the role and responsibilities of a First Responder. This class also meets the State of California Title 22 requirements pertinent to CPR, First Aid, and AED training as it relates to the EMT (Emergency Medical Technician). This course will also certify the student to administer oxygen, provide professional rescuer CPR and provide basic first aid.

**Pre-requisite: Current AHA First Aid, CPR, AED certification.**

**Six (6) day course • Monday-Saturday, August 10-15; 8:30 a.m. – 5 p.m.**

### Mediation

This course offers a practical, hands-on, skills-based approach to mediation built on a Biblical foundation. One week intensive training that will equip chaplains to do business and family mediation using practical application and role play. The course includes how to set up a business, sample letters to attorneys, sample billing, and how to network.

**Pre-requisite: Read Getting to Yes, Negotiating Agreement Without Giving In, by Roger Fisher and William Ury (available at most local bookstores)**

**Five (5) day course • Monday-Friday, August 10-15; 8:30 a.m. – 5 p.m.**

### Hazmat First Responder Awareness/Operations

This course is open to anyone who not only wants to be more aware of potential hazardous situations, but also know how to implement actions to protect themselves, the public and the environment. Responders will gain the ability to recognize and identify potential or actual Hazmat incidents, safely isolate and make proper notifications, conduct containment and protective actions and contribute to effective and efficient response.

**Meets OSHA certification standards. Certificate will be issued at the end of the class.**

**One (1) day course • Saturday, August 8; 8 a.m. – 5 p.m.**
